

## **Health, Safety and Environment Policy**

Bounce Unlimited is committed to protecting the health and safety of everyone who plays a part in our operations and who uses our equipment. Wherever we operate, we will conduct our business with professionalism and care for the environment as much as is practicably possible.

### **To meet our commitment Bounce Unlimited will:**

- Ensure that all employees understand that working safely is a condition of employment, and that they are each responsible for their own safety and the safety of those around them
- Establish the responsibility and authority for all employees to evaluate and react in order to safeguard the public and themselves when they believe a situation to be unsafe
- Provide continuous training and competency checks for all employees through knowledge and resources necessary to work to Bounce Unlimited's health and safety standards
- Comply with applicable regulations and laws
- Maintain safe working practices and the work environment to protect ourselves, our employees and the public from risk of injury.

### **Our expectations:**

Through implementation of this policy, Bounce Unlimited seeks to earn the Hirer and publics' trust.
